

Grade School Admissions Procedures

1. Open House

We encourage all families applying to the Grade School to attend an open house.

2. Application

Please complete the application and submit it to the school with a \$50 application fee.

3. Student Records and Teacher Recommendation

If your child has been enrolled in another school, please submit the enclosed Student Records Release request form and the School Recommendation form to your current school. We will notify you when records from your current school are received in the Admissions Office.

4. Student Interview

Upon receipt of the application and the school records, you will be contacted by the Admissions Office to schedule an admissions interview for your child. Our teachers will assess your child's readiness for our programs.

5. Class Visit

Following the interview, an applicant may be invited to attend the class for two days prior to final acceptance. The Class Visit gives the student an impression of what it is like to be a student at the Waldorf School of Princeton.

6. Acceptance

You will be notified in writing by the Admissions Office regarding your child's acceptance into the Grade School.

7. Financial Arrangements

Following acceptance into the Grade School, you will be sent an enrollment contract, to be completed and returned to the school. If you are interested in Tuition Assistance, please contact the Admissions Office.

8. Enrollment

Upon receipt of your signed Tuition Contract and a \$1000.00 non-refundable tuition deposit, your child will be officially enrolled in our Grade School.

9. Orientation

During the month of August you will receive a back-to-school packet that will include a letter from your child's teacher. You will also receive a calendar of events for the year.
